AMERICAN DREAM GALA — A HUGE SUCCESS

On Saturday, February 2, Living Inclusively for Everyone, Inc., (LIFE) celebrated its first fundraiser, The American Dream Gala, at the Pine Island Ridge Country Club. The event honored State Senators Nan Rich of Weston and Jeremy Ring of Parkland/Tamarac in recognition of their unfailing dedication and efforts to improve the lives of individuals with developmental disabilities.

This first event exceeded expectations with a turnout of over 150 professionals, parents, advocates and sponsors and raised over \$ 30,000. Proceeds from the American Dream Gala will benefit individuals with developmental disabilities to realize their dream of living in an independent or supported living environment where they can maximize their potential for work, social and community inclusion. Prominent sponsors included Motorola, David and Ethel Sommer, David M. Steiman, M.D., Ruby Acosta & Johnny Kavouklis, Arlene Lakin, Esq., and Victor Toledano, M.D.

State Representative Ari Porth presented the award to Senator Ring and Joan Hinden, a resident of Broward County and parent advocate for over 30 years, presented the award to Senator Rich. The keynote address entitled "Life Happens" was given by the President of LIFE, Dr. David M. Steiman. The event included a multi-media presentation produced and donated by Motorola highlighting LIFE's mission and vision. The evening ended with music and dancing. Special thanks went to event organizers Laura Prado, Ruby Acosta, Terri Osman and Bob Wessels.

LIFE is already planning its American Dream Gala 2009 to be held at Weston Hills Country Club on Saturday, February 28, 2009.

FAN CLUB NEWS!

Have you heard about our new FAN Club — Friends Are Necessary Club. The FAN Club is geared toward young adults with special needs. It provides parents with support groups to foster friendships for both the family member with a developmental disability and their parents through social and recreational activities.

The group meets monthly and during the past year has participated in activities such as, dances, barbecues, theater performances, horse back-riding and the ever popular "Wings-n-a-movie." There are currently over 40 FAN Club "members."

Depending on the type of activity involved participants are asked to contribute a nominal sum. LIFE, using funds from the Family 2 Family grant, subsidizes the major portion of the activities' cost.
